Specialized
Leasing Company
"QurilishMashLizing"

BuildTech

BuildTech is part of the exposition of the International Exhibition "Construction - UzBuild 2021"

16-19 March 2021

BuildTech sections:

ROAD-BUILDING MACHINERY AND EQUIPMENT:

- Crushing and crushing & grading plants
- Bitumen concrete & cement concrete plants and laying complexes
- Construction of roads and road complexes
- Pavers
- Road-building technologies, equipment, and tools
- Diagnostics and quality control of roadway maintenance works
- Asphalt paving materials and lubricants
- Geosynthetics

SPARE PARTS AND COMPONENTS AND SERVICES SUPPLIERS:

- Engines and generators
- Road-building and excavating machinery
- Utility machinery
- Construction machinery
- Tunnel boring machines
- Technologies, equipment, and materials for aerodrome construction, repair, and maintenance
- Special-purpose machinery and equipment for aerodrome ground terminal services
- Hoisting-and-conveying machinery; cranes
- Drilling, pile-driving, and excavating equipment; tools
- Excavators, loaders, graders, bulldozers, tractors, mini excavators
- Lubricants
- Maintenance vehicles
- Spare and component parts for machinery and equipment
- Tires
- Compressors, hydraulic and pneumatic equipment
- Conveyors, manipulating equipment
- Machinery and materials for road repair and maintenance
- Measuring equipment, surveying instruments

EQUIPMENT FOR PRODUCTION OF CONSTRUCTION MATERIALS:

- Production of cement and lime & gypsum compounds for construction materials
- Machines and equipment for production of concrete, concrete products, and prefabricated components
- Machines and equipment for asphalt production
- Machines and equipment for production of pre-blended dry mortars, plasters, and screeds
- Machinery and equipment for production of lime-sandstone
- Machinery and equipment for production of plaster

SERVICES:

- Equipment rental companies
- EDP hardware and software for the building and mining industry
- Consulting
- Public agencies, business and professional associations, other organizations
